

# TRAINERS & INSTRUCTORS POLICY

Due to recent requests with current and future boarders, I have drafted the following policy regarding any and all lessons performed at Mel-O-Dee Stables

Marirose Berner is the **exclusive in house instructor and trainer** and will have priority to any day & time for lessons and training.

**Any and all other instructors need to be approved by Jeff** and will need to contact Mari PRIOR to scheduling a lesson for days and times that are available.

Any and all other instructors will not teach in the same equine principals such as barrel racing, vaulting etc.

Any and all other instructors will pay Mel-O-Dee Stables 20% of amount charged for lessons to be paid on a weekly or per time basis.

Any and all instructors will carry and **provide proof of liability insurance** listing Mel-O-Dee Stables on the policy.

Any and all students are required to sign off on liability waiver PRIOR to their first lesson.

Any and all students or instructor are required to board a horse at Mel-O-Dee Stables for a minimum of three months to be eligible.

Kind regards,
